DARMATCH

DarMatch – Empathy Map

Rent Seeker

Section	Insights
Says	“I want serious tenants only.” “I need to rent my property quickly.” “I don’t want مشاكل أو تأخير في الدفع.” “I want full control over my listing.”
Thinks	“Will the tenant take care of my property?” “Is this platform bringing me real clients?” “How can I maximize my income?” “Can I trust the tenant?”
Feels	Concerned about property safety Frustrated with fake inquiries Motivated to earn income Cautious about tenants
Does	Posts property on multiple platforms Responds to inquiries Reviews tenant profiles Updates availability manually
Pain Points	Fake or غير جادين tenants Too many inquiries without bookings Manual management effort Lack of visibility for listings
Needs	Verified tenants Easy property management tools Clear booking system Good exposure for listings
Goals	Rent property quickly Increase occupancy rate Maximize income Reduce effort and time spent
